

# Career Day

Blue Mountain Middle School  
Friday, May 17, 2019

Blue Mountain Middle School will be hosting Career Day 2019 on Friday, May 17, 2019. This event was developed to demonstrate the connection between what we learn in school and how we apply it to our careers and daily lives.

For the past several years, we have had over 1,000 participants share information, skills and experience about their occupations. We have hosted experts in the fields of graphic arts, medicine, law enforcement, computer technology, contracting, just to name a few. We often ask our children, "What would you like to be when you grow up?" If your child is like most, they have no answer. Maybe after this unique opportunity they will.

The PTA at Blue Mountain Middle School is happy to sponsor this event. We hope you will join us in making Career Day even bigger and more informative. Any contribution you can make would be appreciated. There are a limited number of spots, so please contact us as soon as possible if you would like to participate in this important community event. If you know someone who would like to participate but does not have a child attending BMMS, please pass this information along to them.

Our students will be meeting in groups of 15 to 25 for 40 minute periods. We will accommodate, to the best of our ability, your scheduling and material needs. We invite you to share your time, experiences, knowledge and skills with our students. Whether you can share one period or the entire school day, any time will be meaningful to them.

Our school day runs in nine modules. The schedule is as follows:

Mod 1 – 8:14 a.m.-8:56 a.m.	Mod 6 – 11:46 a.m.-12:26 p.m.
